

KIC PRODUCTS ANNOUNCES OPENING OF KIC GERMANY.

Auburn, Maine - September 16th, 2004

KIC Products of Auburn, ME the leading manufacturer of technical cleaning products opens its International Distribution Office in Germany.

“KIC Products has been doing business with the European community for many years but has been hampered by logistics and language barriers. With the opening of our Office in Germany we will eliminate these issues. KIC Germany is a full service fully stocked distribution point for the European market. We have both warehousing and customer service staff that works off a live system with us in the states,” says Jimmy Timmins Marketing communications for KIC Products US.

KIC Products has employed Johannes Neisinger to head and staff KIC Germany. “Awareness for the thorough maintenance of sensitive devices still is low in Europe compared to the U.S. market. As the products of KIC help to remarkably improve performance, extend products’ life cycles, and avoid malfunctions I am sure we will see business growth ahead. My discussions and tests with technicians and service people fully approve this appraisalment”, says Mr. Neisinger after four months with KIC Products.
